

Will you help us thank Sharon Straus and The Sunshine Pantry?

Sharon Straus

The Sunshine Project

For more than 25 years Sharon Straus has given to her community through the Sunshine Pantry, and now her community is giving back. Founder of the Sunshine Pantry, Sharon's charitable work began as a Cub Scout food drive and has expanded over the years to help supply needy families with food, clothing, and household supplies. Using the motto, "No child should go to bed hungry", Sharon works out of a small warehouse in Beaverton, Oregon to distribute donations from local stores, Fork It Over (Metro's food donation program), and individual supporters. She often uses her own money to purchase what is needed. Over the last few years she has been given the following in recognition of her efforts:

Service to Beaverton Award, 2008
**Governor's Volunteer Award for Outstanding Lifetime Volunteer
Achievement, 2009**
KATU Hero Award, 2009
SOLV Citizenship Award, 2009
2010 Red Dress Society Public Service "Angel Award "

In 2004 Sharon purchased a 1967 Ford Mustang coupe that did not run, hoping that someday the car would again hit the road with her behind the wheel. The car sat in her driveway under a tarp until March 2011, when our club “The Mustang Wranglers” caught wind of her dream to just someday drive the car. The club has taken the car on as a restoration project to thank Sharon for everything that she has done for her community. We are looking for others to help us realize her dream. The restoration has started, and with the generous help and thanks of everyone who gets involved, her dream will come true. Visit the Wrangler’s website at <http://www.mustang-club.com/> for more information and photos. Donate and join those already listed as contributors!

The Sunshine Project Begins!

How Can You Help? What Do We Need?
Parts and Supplies

Labor including body, paint, mechanical, electrical, upholstery, and other work.

Monetary donations in any amount, even a few dollars will help.

Please help us put Sharon back behind the wheel of “The Sunshine Project”!

Contact The Sunshine Project at plkeep@comcast.net or send parts, supplies, and monetary donations to:

C/O Patrick Keep
230 SW 142nd Ave.
Beaverton, OR 97006

THANK YOU!
